When it is in the Consultant's power to do so, the Consultant shall sign or cause to be signed these instruments or papers after the termination or expiration of this agreement. If the Consultant provides assistance after the termination or expiration of this agreement at the Company's request, the Company shall pay the Consultant a reasonable rate for any time spent. If **because of the Consultant's mental or physical incapacity or** for any **other** reason the Company cannot secure a signature to apply for or pursue any application of any United States or foreign patents or copyright registrations covering Company Inventions or original works of authorship assigned to the Company, the Consultant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Consultant's agents and attorneys in fact, to act for and on behalf of the Consultant to sign and file those applications and to do all other lawfully permitted acts to further the prosecution and issuance of patent or copyright registrations with the same legal force and effect as if they had been signed by the Consultant.

5. USE OF TRADEMARKS.

The Consultant may use, reproduce, and distribute the Company's service marks, trademarks, and trade names (if any) (collectively, the "**Company Marks**") in connection with the performance of the Services. The Consultant may not engage in activities or commit acts, directly or indirectly, that may contest, dispute, or otherwise impair the Company's interest in the Company Marks. The Consultant may not cause diminishment of value of the Company Marks through any act or representation. The Consultant may not apply for, acquire, or claim any interest in any Company Marks, or others that may be confusingly similar to any of them, through advertising or otherwise. At the expiration or earlier termination of this agreement, the Consultant will have no further right to use the Company Marks, unless the Company provides written approval for each such use.

 - B. provide reasonable assistance to the Company in obtaining any protective order.

If a protective order or other remedy is not obtained or the Company grants a waiver under this agreement, the Consultant may furnish that portion (and

only that portion) of the Confidential Information that, in the written opinion of counsel reasonably acceptable to the Company, the Consultant is legally compelled or otherwise required to disclose.
